

COLDSTORES

Our skilled and passionate team will
help you to navigate the process
of buying your coldstore

○ Design

○ Manufacturing

○ Installation

1

Free site survey

Our experienced and skilled team are available to provide their services if you require precise measurements or assistance to determine the ideal location for your coldroom. We are happy to help.

COLDSTORES

②

Product recommendation

Our extensive product lines were created to satisfy all of our customers needs. The refrigeration ranges are:

B BESPOKE

U ULTRA ADVANTAGE+

③

Design & Quotation

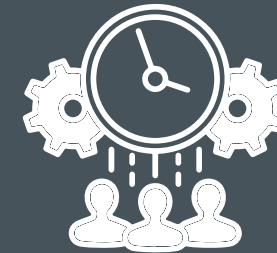

We offer a complete detailed quotation together with Computair drawings that illustrate your design. We can provide "delivered only" products as well as full comprehensive turnkey solution.

COLDSTORES

④

Project Management

The planning and execution of the coldroom installations are under the supervision of our project managers. They are strategically positioned around the UK, directing our teams to complete all project objectives within the established restrictions.

5

Manufacturing

As one of the market leading British manufacturers of coldrooms, we pride ourselves on delivering you the highest standards in product quality. Coldroom production has been operating out of our factory in King's Lynn, Norfolk, since 1968!

⑥

Installation

We oversee two installation phases. Construction of the coldroom (box builder) and installation of the refrigeration system (refrigeration engineer). Our qualified installers with many years of experience working for our company, all hold all the necessary certifications and credentials.

Service

Foster Coldstores can also provide regular servicing of equipment to provide years of trouble-free operation.

Any service issues will be handled by our internal service department. Engineers will show on that day or the next.

Warranty

Up to 3 years warranty when you buy a coldroom from us
12 months parts and labour warranty as standard

Our current lead time is among the finest in the business, and we work hard to keep it that way for both new and existing customers.
